

# GET THE INDUSTRY LEADER WITH SHORTER LEAD TIMES

## CR & CRN Quick Ship Program

With our CR vertical inline multistage pump, we've delivered the industry leader in reliability and efficiency for more than 45 years. But we've never stopped imagining ways we can serve you – and your critical industrial applications – even better.

With 165 in-demand CR and CRN models kept in stock, the CR & CRN Quick Ship Program is the next step in delivering better efficiency and reliability **when you need it!**

165 CRs and CRNs

5, 7, 10 day lead times

2 Factories with stock ready

### Program Scope and Benefits

- All CRs and CRNs in the program will be shipped in 5, 7 or 10 business days.\*
- The entire CR/CRN range is covered.
- The most popular pumps in each model range are included.
- CRs and CRNs are included to serve most industrial applications.
- Stock in both factories means you don't have to worry which to order from.
- If expediting or air freighting of components to build a pump are required, Grundfos will cover the cost.

**Place Your CR or CRN Quick Ship Order in Extranet Starting June 1**

*\*Replenishment time could be involved if orders greatly exceed stocking levels and demand planning.*

## CR & CRN Quick Ship Order Process

1. All orders must be placed on extranet.
2. The distributor account must be in good standing with Grundfos.
3. Order quantity should not exceed 3 CR Quick Ship pumps per order without prior approval from the Grundfos District Sales Manager.

### PERFORMANCE DATA

Visit [grundfos.us/pei](http://grundfos.us/pei) to learn more about Department of Energy (DOE) pump energy index (PEI) requirements and PEI ratings on specific Grundfos models.
