

# ARAME WALL LIGHT

## Product Specification

Tom Raffield

Arame Wall Light

Celebrating nature's formations. Taking inspiration from the organic shapes, movements and sequential patterns that surround us. The Modern Range invites you to put nature back in the spotlight.

Elemental, geometric, sequential. A surge of optical energy; a silhouette of sustainable craftsmanship. Switched on or off. Boundless shadows unfurl, pirouette and tumble in kaleidoscopic tessellation creating an extraordinary spectacle in your space. When illuminated, an abundance of golden glow diffuses from the Arame Pendant's steam bent core - casting an aura of light that's truly transfixing.

Let nature guide you. See your space differently.

The Arame Wall Light is also available as a pendant light.
