

# FOIL POP-UP SHEETS AND FOIL ROLLS

RiteFoil Aluminum Pop Up Sheets and Rolls serve as ideal multi-purpose solutions for your kitchen. Heavy weight aluminum foil can be used for covering prep food pans or wrapping hot takeout items. The packaging is designed with your convenience in mind. The pop-up dispenser carton makes it easy to pull sheets one-by-one and the serrated edge cutter on the foil roll carton make it simple to get the perfect sized piece. This line of aluminum foil is a perfect addition to your commercial kitchen.
