

# Power Push Wheelchair

Revolutionary power assisted wheelchair that makes pushing a breeze!

- Removes all the strain and effort for the attendant pushing
- Exceptionally lightweight lithium battery and aluminium frame
- Fast and easy to fold for transportation and storage.
- Unique patented design allows the motor to match the attendants needs from slow to fast walking speeds.
- Manufactured in the UK with high quality components
- Simple to use when steering, power driving and reversing

# Power Push

The new revolutionary Power Push wheelchair removes all the strain and effort for the wheelchair attendant and means that you don't have to push even when going up inclines due to the highly efficient 'free-rolling' drive motor.

With its lithium battery and aluminium componentry, the Power Push is exceptionally lightweight and the unique design and positioning of the drive wheel allows the Power Push to be folded in only seconds for transportation and storage.

Driving, steering and reverse are all simple to use with no extra effort needed. The highly efficient brushless 'free-rolling' motor guarantees many hours of use from a single charge allowing you to get out and enjoy 'the great outdoors' making the inaccessible become accessible once again. The uniquely calibrated controller allows the Power Push to match the attendant's walking speeds from slower to faster walking speeds and makes sure that the attendant remains in control at all times.

The complete mobility solution includes wheelchair, battery, and charger and is manufactured in the UK to the highest standards ensuring excellent quality and long lasting use.

## Specifications

Model Reference	Power Push Gravity-Lite	Power Push Sonic Plus
Battery Types	Lithium	Lithium
Battery size/weight	8Ah/240Wh/1.7Kg	8Ah/240Wh/1.7Kg
User Weight (Max)	100Kg	20st. (125kg)
Transport Weight	14Kg	15.25kg
Total Weight	16Kg	19.25kg
Tyre Type	Puncture Proof/ Pneumatic	Puncture Proof/ Pneumatic
Front Tyre (Size)	150mm (6in.)	200mm (8in.)
Rear Tyre (Size)	160mm (14in.)	300mm (12in.)
Folding Backrest	Yes	Yes
Attendant Brakes	Yes	Yes
Removable Footrest	Yes	Yes
Seat Width	440mm (18in.)	450mm (18in.)
Seat Depth	420mm	420mm
Seat Height	490mm	520mm
Overall Width	625mm	610mm
Overall Depth	940mm	1090mm
Overall Height	900mm	930mm
Arm Height	Adjustable	Adjustable
Footrest Height	Adjustable	Adjustable
Folded Width	300mm	300mm
Folded Length	630mm	710mm
Folded Height	710mm	740mm
Seat Type	Deluxe Padded Comfort	Deluxe Padded Comfort
Chassis Type	Lightweight Aluminium	Lightweight Aluminium
Charging Type	Off-board	Off-board
Colours	 Teal (Gravity-Lite)  Gunmetal Grey (Gravity-Lite)  Purple (Gravity-Lite)	 Silver (Sonic Plus)
