## CARAVAN COFFEE - FRESHLY ROASTED IN MANCHESTER

### FREE-FLOWING BATCH FILTER

*Buy one and we'll keep you topped up  
(Mon-Fri until 4pm)*

Our pride and joy. Caravan's popular batch filter blend is served in lab flasks as a nod to all the geekery we put into making it perfect. Sourced exclusively from female producers, the fresh, in-season beans behind each new batch are carefully roasted to highlight sweetness, balanced acidity, and a generous body.

### HOUSE BLEND ESPRESSO

Crafted with balance, flavour and versatility in mind, our house blend espresso tastes as good with milk as it does on its own. We created it especially for all-day drinking, so you can indulge in your favourite cup any time of day.

### SINGLE ORIGIN ESPRESSO (+0.5)

Selected by our head of coffee as a counterpoint to the more traditional house blend, these are typically a juicy and lively lot. Expect adventurous flavours, roasted for best expression as an espresso.
