COFFEE ROASTERS

Coffee has been at the heart of what we do ever since we started roasting beans in the basement of our exmouth market restaurant back in 2010.

This love for coffee, food and a good story led us to travel the world - meeting producers, sharing a cup, then roasting with care and expertise.

Through our charity partner, we provide sustainable clean water sources to coffee growing communities

We ensure 50% of our coffee comes from female led farms and donate 10p per kilo to related charities

We're verified by B Lab to meet high social and environmental performance standards, transparency, and accountability
