FLOOR TYPE POTATO & VEGETABLE PEELER

MODEL: XC-30 XC-30-T

XC-30(-T)

Blakeslee “No-Gear” peeler with 30-33lb capacity removes the thin outer skin of vegetables and saves all of the food value and flavor. Hand peeling wastes 20% of the vegetable and adds to your produce bills and labor cost. Includes a Stainless Steel Peel Trap.

** The T in the model number indicates a TIMER is included with this model.*

FEATURES AND CONSTRUCTION

- 30lbs (14kg) - 33lbs (15kg) capacity in 1-3 minutes
- 0.75 HP motor
- Easy to clean
- Adjustable 5-minute timer for single-phase units (XC-30-T) or on/off switch for three-phase units (XC-30)
- Stainless steel exterior, drive shaft and strainer basket
- Cast aluminum discharge chute Motor and Drive unit sealed off against moisture to assure trouble free performance
- Dual V-belt drive provides speed reduction between motor and abrasive peeling disc for efficient peeling action
- Standard size V-belt for easy replacement
- Self-closing door

ELECTRIC

115V / 60Hz / 1Ph
208-230V / 60Hz / 1Ph
220-240V / 60Hz / 3Ph
Cord and plug included

3RD PARTY APPROVALS
