OUR LARDER

The Macknade Café offers something very rare: a pantry just beyond the pass.

Every service begins not with a delivery van, but with a walk through our Food Hall. The best of the season laid out in front of our chefs. Local produce at its peak. Cheeses cut to order. Charcuterie sliced moments before it hits the plate. Sausages handmade by our butchers. It’s cooking led entirely by what’s worth celebrating that day. Just exceptional ingredients, treated with care.
