SQUARE ROOT SODA TIME AND TIDE BREWING

These drinks are made using fresh ingredients by the team of skilled Soda Jerks (technical term!) in East London.

Founded by a couple of Spratwafflers (folk originating from North Deal), Time and Tide are a progressive brewery inspired by the coast & their love of foraging - every beer they make is packed full of flavour.

Square Root create extraordinary drinks with guaranteed quality and zero artificial additives -

making every soda the best it can be. We love their Spratwaffle, an easy drinking Session IPA.
