Each year, Pinhook releases a new vintage of bourbons and ryes. Every expression is the best representation of our barrels at that moment in time, and dedicated to a promising young thoroughbred. Through a combination of careful barrel selection, blending in small batches, and meticulous proofing, each Pinhook vintage has a personality as unique as the horse on the label.

This limited release of 100 barrels is the inaugural expression of Pinhook Bourbon from its proprietary distillate, produced and aged more than 34 months at Castle & Key Distillery in Frankfort, KY. It was blended and proofed by Sean Josephs, Pinhook's Co-Founder and Master Taster.
