Kentucky Straight Rye Whiskey

# 2022 High Proof Rye

The limited release of the 2022 vintage of High Proof Rye showcases a soft and fragrant nose of **orange blossom, honeysuckle, green apple, and baking spice**, leading to a rich palate of **walnuts, dates, spiced caramel, and white pepper**.

## Blended & Proofed to be Different

Pinhook releases its whiskeys in vintages that get the best from each batch of barrels, rather than replicating an established flavor profile every year. Through our process, Pinhook relentlessly pursues the complexity and balance that make each new vintage as intriguing as the promising young thoroughbred on its label.

- + Limited release: blended and produced in one 50-barrel batch.
- + Unfiltered.
- + All non-GMO and locally sourced grains.
- + Kentucky ground-fed, limestone-filtered spring water straight from the source.
