SpringLock Clip

Opening spring for many pliers with Comfort handles

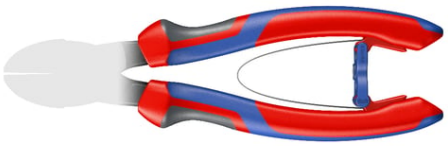

- For retrofitting to improve ergonomics during frequent use
- Locking mechanism can be secured with a magnet – protected against accidental opening during transport, and held comfortably in place at the side by magnetic force whilst working
- Automatic opening of the pliers reduces strain on the hands during repetitive tasks

- Durable leaf spring made from robust stainless steel
- Für Seitenschneider 14 22/25 160, 70 02/05 160, 70 02/05 180, 73 72 180, 74 02/05 180, 74 02/05/22 200
- For combination pliers 02 02/05 180, 02 02/05 200, 03 02/05 160, 03 02/05 180, 08 22/25 185
- For other pliers 13 42 165, 20 02/05 160, 22 02 160, 26 12/15 200, 38 35 200, 97 72 180
- Springlock Compatibility List

General	
Part No.	00 64 01 F V01
EAN	4003773094319
Dimensions	16 x 78 mm
REACH compliant	does not contain SVHC
RoHS compliant	not applicable

Technical changes and errors excepted
