

EL-18TEDCS

18-Bottle Dual-Zone Thermoelectric Wine Cooler

Store your wine collection in the sleek 18-Bottle Dual-Zone Thermoelectric Wine Cooler by Vinotemp. With its two independent temperature zones, this unique cooler allows you to store both red and white wines at their ideal temperatures. This unit holds up to 18 bottles on sturdy wire shelves. The touch screen control panel located on the door's exterior make it easy to maintain the ideal environment for wine storage. A black cabinet and a corkscrew design on solid mirrored door make this freestanding cooler an attractive addition to any space.
