## Propane Tank Storage Cages

Safety and securely stores propane tanks. Two models one for forklift propane tanks and one for BBQ propane tanks.

### Features:

- Heavy duty steel construction.
- Cluster punched steel sheet metal for weight reduction, makes it easy to see and monitor inventory.
- Bolt cutter guard prevents tampering
- Steel loop at bottom allows the unit to be securely chained down.
- Powder coated safety orange and yellow.
- Flanged adjustable feet.

### Benefits:

- Safety stores propane tanks outside, keeping customers and associates safe.
- Safeguards to prevent tampering and theft.
- Two shelves for double the storage capacity.
- All weather powder coated steel.
- Adjustable feet allows you to level the unit preventing movement of the tanks.
