Security Cages

- Constructed steel, powder coated silver, with all steel mesh sides
- See through mesh keeps merchandise visible at all times.
- Two hinged doors with base and top locking mechanism with pad lock (sold separately) keeps merchandise secure.
- Units have three shelves, two are adjustable on 1" increments with quick clips. Easily adjust the space between the shelves to accommodate a variety of merchandise. Additional shelves are available. Cage has a push handle to assist with steering.
- Maneuvers easily on two 6" swivel plate casters and two 6" rigid plate casters, two with brakes.
