# FORKLIFTABLE CAGED CART

## Forkliftable Caged Cart

This Forkliftable Caged Cart reduces manual labor for warehouses and distribution centers. Our sturdy steel design makes forklift maneuvering safe and easy. The perfect solution for e-commerce fulfillment order picking.

### Features:

- Steel construction
- Powder coated gray body and powder coated yellow shelves
- Caged on three sides to prevent merchandise from falling off the cart. Back of the unit opens for easy unloading.
- Non-skid safety surface on the fold-up shelves and safety step
- Load Capacity for each adjustable shelf: 200lbs
- Load Capacity for bottom shelf: 600lbs
- (2) Swivel 6" polyurethane casters with brakes
- (2) Rigid 6" polyurethane casters

### Benefits:

- All welded steel construction is sturdy and allows for extensive use in harsh conditions.
- Metal enclosure on three sides provides protection against damage to items.
- The ability to lift the cart with a forklift facilitates fulfillment and saves time.

EC-3040-71H-SEC

We offer a variety of other models and sizes, just right for your operation.
