**ENCLOSED MOBILE TRANSPORT CABINETS**

## Enclosed Mobile Transport Cabinets

This unit is a perfect solution to save and organize work spaces efficiently, while maintaining quality of goods being stored and transported.

### Features:

- Non-insulated aluminum welded construction
- Double pan construction with reinforced braces
- 1-1/2" spacing between runners
- Maneuvers easily on large 5" polyurethane casters

### Benefits:

- Saves work space by allowing easy storage of goods
- Easy efficient solutions for transporting and protecting goods
- Ergonomic design
- Aluminum construction makes the unit light-weight, yet durable
- Four heights available: 68", 56", 44" and 32" with varying pan capacities to meet your requirements

### Optional:

- Locking Casters
- Clear Acrylic Door
- Prison Package
