Its small size makes this an ideal cooler for places with limited space.

Spacious glass door refrigerator crafted with enduring quality. Sleek design featuring innovative technology, high-efficiency components, and the most attractive product display in its category. Small size countertop refrigerated display glass door merchandiser, ideal for promotions or impulse new products. Designed for places with limited space.

FEATURES:

• PA refrigeration system
Ensures rapid and effective cabinet cool down and maintains consistent temperature range with minimum energy consumption.

• Electronic Temperature Controller
Assures the optimal performance of the cooler, delivering product temperature ideal for consumption.

• High Efficiency Glass Door
Equipped with double panel glass and low-e film to reduce condensation. Door hinge is equipped with a self-closing system to ensure the door closes safely, and returns to original position, without any damages.

• CFC and HFC Free Cyclopentane Foam
Eco-friendly, recyclable, and high-efficiency cabinet insulation.

• LED Lighting System
Our LED system uses a fraction of the energy of regular fluorescent lights and requires no replacement for up seven years.
