5 Door Locker

Multi-User Open Base Steel Lockers can be used in all types of facilities and industries, making this product perfect for any environment. Our variety of designs work for all different needs!

Features:

- Steel construction
- Open base
- 5 door compartments
- 12" depth
- Sequentially numbered labels provided for easy identification.
- Custom colors available
- Ships fully assembled
- Mesh grid vented

Benefits:

- All lockers open with door pulls and will accept padlocks or flat key locks (both not included).
- Doors are vented for security and clear identification of personal items.
- Box bases prevent dirt, dust, and debris from accumulating under the lockers, keeping the locker area clean and reducing labor costs.
- Sturdy steel design secures locked items.
