Sanitizing Cart

Sanitize front of the store - shopping carts, checkout counters, fixtures, etc.

All in one cleaning station to keep your store sanitary for your customers and associates.

Features:

- Lightweight aluminum construction
- Top storage tray to keep all of your cleaning supplies handy.
- Two additional storage shelves.
- Removable garbage container
- Paper towel holder - for easy dispensing.
- Maneuvers on 5" polyurethane swivel casters, two with brakes.

Benefits:

- Narrow design makes it easy to maneuver anywhere in the store or outside.
- Shelves have drain holes for easy cleaning.
- Designed to carry everything you need to keep your store safe and clean.
- NSF
