CH- DIGRAPH

cut & paste craft

Directions

1. Make copies on colored paper or white paper. (Please see mass for copy count)
2. Color and cut out each craft piece (1 chick, 1 eggshell, and 1 beak student).
3. Glue the chick onto the back of the eggshell.
4. Identify the "ch" digraph words. Students may highlight the "c" sound. Then cut out the "ch" digraph words and glue them in the boxes labeled "glue skill word here".
5. For an added fun 3D effect: Have students use the beak square by folding the corners down to make a triangle and glue it onto the chick's beak.
6. Students will then glue finished craft on a piece of colored construction paper or colored cardstock.
