BakeMax BMBD Series Semi-Automatic Dough Divider Rounder

The BakeMax BMBD Series Semi-Automatic Dough Divider Rounder offers superior rounding, durability and increased production for Bakeries, Pizzerias and Factory Operations. The machine divides and rounds dough with ease and allows you to make different types of rolls, pizza dough balls, donuts and more with varying weight ranges and sizes in the same machine.

Features:

- Easily Divides and Rounds a Large Portion of Dough (up to 7lbs 15oz) into 30-120g (1.06-4.23oz) portions.
- Heavy-duty construction for quiet operation with minimal vibration due to its larger base.
- Separating blades formed in #304 stainless steel, anti-rust, sanitary, and easy to clean with its tilting head
- Divide and round dough with ease and easily adjusts for different dough weight
- Hourly production of up to 3,500 pieces (depending on operator and workflow)
- Permanent lubrication to protect transmission
- Manual motor start with built-in thermal overload protection
- Comes standard in single phase and is available in 3 phase by special order
- Minimum Maintenance Required

** Due to continuous product improvement, specifications are subject to change without notice.
