

BakeMax BMTXW1620 Tortilla Warmer

What better way to entice the appetite than with the sight and smell of fresh, hot tortillas? Keeping tortillas warm is easy with the BMTXW1620. Combined with our tortilla press from BakeMax, it produces a great, fresh tortilla that keeps them coming back for more! Our flat grill warmers provide even heating on the standard 16" x 20" surface. Our heating rods are similar to those found in industrial ovens, so they heat quickly, work efficiently, and last longer. The BMTXW1620 Flat Grill provides quick heating and even surface warmth. It also features a durable 1" thick heat casting and safety heat guard.
