ALUMINUM RACKS

Transport 18" x 26" Trays, 12" x 20" Pans, and Oval Trays

"OTR SERIES"

ALUMINUM

OTR-FUA-05-11
Universal Rack

OTR-OT-06-10
Wide 6-3/8" tray ledge supports oval trays

OTR-UA-13
Universal Adjustable Rack

Economical and functional aluminum racks for transport, bussing and storage.

These sturdy aluminum racks provide an economical solution for your transport and storage needs. Fabricated from high tensile extruded aluminum, the "OTR Rack Series" hold up to the demands in hotels, motels, restaurants, hospitals, bakeries . . . and rugged enough for even correctional facilities.

They're heavy-duty, yet light weight and easy to maneuver, even when fully loaded with roasting pans, steam table pans, sheet trays, or oval tray sheet pans.

The extruded aluminum runners are double welded for extra strength.

These racks are easy to clean and can be completely sanitized, washed, or steam cleaned while remaining rust resistant.

FWE...the "Choice of the Professionals."

- ◇ Heavy-duty aluminum
- ◇ All welded construction - no rivets
- ◇ Welded tubular construction
- ◇ 5" polyurethane casters
- ◇ Tray guides vary in style and type by model (details on other side)
- ◇ Two year limited warranty
