

the Concessions Crew *from Global Solutions by Nemco*

From the top of the sports & entertainment world, Global Solutions brings you an innovative and reliable team of food-making favorites that can change the game in any foodservice operation!

Snack-Food Performance That Will Have Your Customers Cheering!

Whether you're looking for new fan-food ideas, need a higher quality concession-equipment alternative or simply want to bring more event-style fun to your foodservice offering, the answer is right here.

Global Solutions by Nemco introduces a complete line of equipment with a decades-long reputation among concessionaires for the highest in quality and value, and the promise that you can always expect:

- Game-changing innovation
- Unrivalled performance reliability
- The ultimate in self-serve simplicity
- Absolute maximum ROI

Popcorn Poppers

The Concessions Crew line of popcorn poppers is absolutely second to none. They feature stainless-steel kettles, with integrated heating elements, for better cooking and easier cleaning, the most powerful drive motors in the industry, and clean-air discharge technology that means only popcorn-selling aroma enters the room—no smoke, steam or oil vapors that turn customers away.

16 oz Popper

- Heated corn deck keeps popped corn fresh and warm
- Available with an auto shutoff feature

8 oz Popper

- Heated corn deck keeps popped corn fresh and warm
- Tubular heating elements ensure uniform popping
- Powder-coated top combines durability with aesthetic appeal

4 oz Popper

- Heated corn deck keeps popped corn fresh and warm
- Super compact for the tightest spaces
- Tempered glass and powder-coat paint for an attractive, but durable, look

Call Up Some Classic Sales Appeal

Every Global Solutions popcorn popper is available with an accessory vintage-style cart that catches the eye and adds a higher-end merchandising character which increases sales.

Popcorn Packs available in 4 oz, 8 oz and 16 oz sizes to accommodate any popper!

more great concession items!

Sno-Kone Machine

Change up your snack-time offering with a little snow-cone magic using this compact unit that's perfect for smaller, lower-volume operations. Features high-visibility for merchandising appeal and multiple features to make cleanup a cinch.

- Ideal entry-level solution with modest output and super-simple operation
- Welded frame prevents melting-ice leaks
- Removable snow pan and drain tube simplify cleaning
- Glass windows optimize visibility and durability

Nacho Cheese Dispenser

The perfectly compact companion on any snack-food counter—for nachos, breadsticks, pretzels, you name it! Your customers will love the convenience and you'll love the design that completely isolates the cheese from making any contact with machine parts, virtually eliminating cleanup!

- Dispenses cheese or chili to satisfy every taste
- Keeps a backup bag preheated for rush times
- Peristaltic pump dispenses every last drop—no waste!
- Adjustable 3-button dispensing control adds convenience

Hot Fudge Dispenser

Give your customers the sweetest add-on option while maintaining portion control and cleanliness. Lit graphics and stainless-steel construction combine beauty with brawn for any commercial application.

- Built-in, easy-actuating pump optimizes dispensing control
- Stainless-steel body stands up to self-serve abuse
- Oversized water tank keeps the fudge warm and gooey
