

GEMINO 30

Lightweight Rollators

Gemino 30

Gemino 30 Carbon

For over 10 years, GEMINO have been empowering people to walk comfortably and confidently without restrictions. Built to perform indoors and out, our lightweight rollators set a new standard in comfort, safety and design. Made to stand out from the crowd, every rollator is infused with a style and elegance to suit every individual taste. GEMINO is a symbol of independence, and we'll be with you for every journey.

The Lightweight Rollator For An Active Lifestyle

Are you looking for a rollator that fits your active lifestyle, allowing you to walk comfortably and confidently? Our award-winning GEMINO 30 range of lightweight rollators are made to the highest quality standards, offer unbeatable comfort and always make you feel in control.

The GEMINO 30 comes in various models and sizes, including the premium ultra-lightweight GEMINO 30 Carbon. So, no matter your walking needs or personal style, there is a GEMINO 30 for you.

Creating Enjoyable Walking Experiences

GEMINO rollators have been designed with your comfort in mind. At the heart of this is the lightweight aluminium frame that offers maximum stability, light braking and easy movability, ensuring a great walking experience indoors and out.

Walk With Confidence

Wherever you go, you'll feel confident with a GEMINO rollator. It's sturdy, stable frame design ensures maximum safety and security in all settings.

Easy Braking

Ergonomically designed, you'll find that operating the brake handles requires very little effort. The smart brake design is easy on the wheels and ensures optimal grip.

Don't Let Obstacles Get In Your Way

Kick tubes make it easy to climb kerbs or thresholds, while the protective side bumpers help you avoid obstacles.

Memory Lock Push Handles

The ergonomic handles are always in the right position thanks to the easy-to-use height adjustment system and memory lock function, so once the handles are at the right height for you, they stay like that.

GEMINO 30: Enjoy Life To The Fullest

Looking for a lightweight rollator that stands out? The GEMINO 30 range of rollators exceed all expectations when it comes to comfort, safety and design. The modern look of the GEMINO 30 is complemented with the highest quality materials to create a stylish rollator that will fit any lifestyle. Depending on your height, we also offer the GEMINO 30 M and GEMINO 30 S so you can walk with confidence.

Back Support

The built-in seat, together with the back support, allow for a comfortable rest when needed.

Make A Statement

Express your personality with a selection of 7 attractive anodised frame colours.

Easy Folding With Self-Locking

The GEMINO 30's unique 'fold-click system' makes it very easy to fold to a compact size for storing. It is practical for small spaces and portable for transportation and, you can even safely manoeuvre the GEMINO 30 in tight places when folded.

Intergrated Net Bag

Got a lot to carry? The net bag can be easily opened with one hand, offers plenty of space for purchases and carries up to 5kg.

Anatomical Shaped Handgrips

Ergonomically designed hand grips provide extra comfort and support while walking.

GEMINO 30 Carbon: The Premium Carbon Rollator For An Active Lifestyle

Looking for something lighter? The GEMINO 30 Carbon and GEMINO 30 M Carbon, have all the advantages of the GEMINO 30 but with a super lightweight and strong carbon fibre frame, offering support and making it effortless use as part of any active lifestyle.

Carbon Fibre Frame

Carbon fibre is incredibly light but strong, providing unique shock-absorbing characteristics to deliver smooth manoeuvrability no matter the terrain.

Ultra-lightweight

With a starting weight of just 5.4 kg, the GEMINO 30 Carbon and GEMINO 30 M Carbon are easy to lift, transport and store while also being manoeuvrable in tight spaces.

In Frame Intergrated Steptube

The steptube was unobtrusively integrated into the carbon frame and allows to easily overcome curbs.

Freedom Of Leg Movement

Parallel front tubes create an increased seating space which is ideal for taking breaks as you travel.

Accessories

GEMINO rollators are not just easily adjustable, they also come with a full range of attractive accessories to make everyday life easier. A stylish bag, a practical crutch holder or a light for extra safety. Simply choose the options that fit your needs and lifestyle!

Umbrella*

Rainy weather conditions? With this height-adjustable umbrella you can stay dry while keeping both hands on the push handles.

LED Light

Keep visible while in the dark with this LED light that attaches to your frame.

Table Tray

A practical tray with cup holder, allows you to transport food and beverages safely with ease.

Crutch Holder

Keeps your crutch or walking cane securely fastened when walking. Easy to mount, easy to access.

Universal Bracket

Suitable for fitting your choice of personal accessories.

Adjustable Back Rest

Provides support to your back to allow you to sit more comfortably while resting.

Slowdown Brake*

Provides additional resistance to help you walk at a steady pace. Easy to adjust to the desired level – and easy to turn on/off. **Not available with SpeedControl.**

SpeedControl*

Brake automatically when you start to accelerate (such as going down hill), ensuring smooth walking and a comfortable, upright position at all times. **Not available with slowdown brake.**
