*Straight Rye Whiskey*

# 2025 Single Barrel / Vertical Series Rye—9 Year

This *Single Barrel* is an extension of Pinhook's one-of-a-kind Vertical Series, which follows a group of barrels as they age over the course of 13 years in an exploration of the true impact of age on a whiskey. With only 12 rye single barrels this year, this extremely limited program gives accounts an opportunity to claim a unique version of a premiere Pinhook product, *exclusively for them*.

Each barrel is chosen for its *singularly compelling flavor profile*, then bottled unfiltered at *cask strength* to highlight the attributes that made it stand out from the crowd. The *Single Barrel* program is a pure expression of Pinhook's commitment to getting the best from every barrel, rather than replicating established flavor profiles.

# An Account/Pinhook Collaboration

Accounts engage directly in the selection of their exclusive Single Barrel through a personalized, hands-on process.

- 1 Account selects one barrel from the three different ones they sample of our Vertical Series
- 2 Each barrel is estimated to produce around 162 bottles or 27 6pks (final numbers will vary)
- 3 Proof levels may differ from barrel to barrel, yet on average, they will fall within the range of 113 to 117 proof
- 4 The exclusive Single Barrel will be bottled with a customized label and will typically arrive to the account within 3 months of selection
- 5 Accounts have the choice to receive the empty barrel along with their cases, if they wish
- 6 Accounts will also receive a Pinhook-designed barrel head

To ensure the finest design outcome, the following guidelines should be followed when naming the bottle:

- + Character limit, including spaces, should not exceed 32
- + When submitting the chosen name, please write it exactly as you want it to appear on the label
- + The selected name should seamlessly complement the phrase "SELECTED BY"

For any questions regarding name selection, please reach out to your Pinhook sales director.
